Course Overview

This course help massage therapists expand their career possibilities and maximize their current massage practice. Event Massage is a fabulous way to gain new clients, supplement income or become an independent massage provider. The course helps prepare and build self-confidence in what it takes to become a professional Event Massage therapist/provider. Covering do's and don'ts of performing Event Massages, since it is generally done out in the public eye, not behind closed doors. The course will cover the various types of events and how to prepare for each. You will be exposed to which methods and routines are appropriate and common for specific events. The course covers the appropriate and recommended massage equipment and massage supplies for various events. Also covered is, sanitation and hygiene, body mechanics, common trigger points, and common contraindications for Event Massage. A large part of the course is hands-on, with ample practice time. You'll be introduced to various event massage techniques and get to perform and "receive" a number of time-specific event massage routines. You will leave with greater confidence and skills in an arena which can surely help build your career.

Instructor: John Cosby, LMT, NCTMB, became a licensed massage therapist in March 1998 and formed Cosby's Corporate Massage Services in September 1999. In 2002, he was awarded a contract to start-up and provide event massage services at Orlando's Orange County Convention Center. The nation's second largest convention center and in various years the busiest convention venue in the country. Cosby's is now in their 18th year at the Convention Center. As a licensed massage therapist and business owner, John is driven to help spread the word about massage and its benefits. He has trained, mentored and supported hundreds of new and seasoned massage therapists, encouraging them to be proud of their profession. He sees being a massage therapist as an honor and to be able to help someone feel better with only the touch of your hands as a special blessing! John received an Associates in Science: Advanced Massage Therapy from the Florida College of Natural Health and has since continued his massage education in multiple modalities. He looks forward to sharing these gifts with you.

John W. Cosby is an Approved CEU Provider of the National Certification Board for Therapeutic Massage and Bodywork (NCBTMB #374 and the Florida and Georgia Boards of Massage Therapy, #50-16250 (CEUs automatically reported within 48 hours after completion of course)

What other Massage Therapists said about the course and instructor!

21years as a massage therapist, this is the best CEU course I have ever participated in! The instructor's skill, knowledge, and presentation of the information was superb. Alicia

Knowledgeable, entertaining and useful! Janine

Amazing energy and attitude, definitely takes the time w/students. Full of Knowledge, very well taught and explained. Loved this class! Aniushka

The class was great! I have never been a fan of chair massage, I always felt like it hurts my hands to massage thru clothes. Since your class I have trained my team on how to "kill the head" :) Thanks again for being an awesome instructor and for the best chair massage I ever had! Wish you the best! Leslie

Thank you, so very much. Time well vested. I am sharing your class with everyone that will value it the most. I appreciate your dedication to supporting and building a strong network of Professionals in Massage/Bodyworker's. Kay

This was a great CEU Class! A Lot Learned!

Definitely got what I wanted and more!

Excellent class! Learned a lot and really enjoyed it!

Enjoyed your class and never realized the impact chair massage has on all of us as massage therapists. Thank You!

Hello Mr. Cosby,

It was a pleasure attending your class last Saturday for my CEU's. Just have to say that your style of teaching is approachable, easy to understand and fun. I hope to take more courses from you in near future for other CEU's. Sincerely, Matthew

Thank you for your engaging class today. You made it interesting and informative. It was a delight to meet you and thank you for sharing your successful Journey
Have a great weekend. Amy

Hello John Cosby, I would like to thank you for your knowledge. It has opened new possibilities, thank you very much. Eduardo

Thank you Mr. Cosby, I did have a good time in your class and I did learn some important information that will help me out on my massage business.

Information and Classroom Schedule for those Attending the Class

The Event Massage classes will be still TBD due to COVID-19. The classes begin promptly at 8:30am and end at 6:30pm.

Payment Options: Request Credit Card Authorization Form and Return it

Call Office: (407) 226-1288

Paying Onsite: Should arrive between 7:45am-8:15am

Credit Cards and Cash Accepted Onsite... No Checks Accepted Onsite

If you have a fellow massage therapist who would like to come, but has yet to register, there will be registration available onsite from 7:45am-8:15am.

We will provide a Certificate of Completion at the end of the class in person or by email and your 12 Live CEUs will be reported automatically to the CE Broker for this license renewal cycle within 24-48 hours following the completion of the class

Dress in comfortable clothes, appropriate for practicing bodywork. I'm not sure if the room will be cold or not, so you may want to bring a sweater and you're welcome to bring a small throw/blanket.

Bring a pen/pencil and pad, you may bring chair massage supplies (optional), and bring a massage chair if you own one.

The onsite contact number will be 407-342-2377.

Please let me know if you have any question or special needs for the class.

The class has been shortened as much as allowed to meet the Board's CEU requirements. So there will be no breaks or lunch longer than 20 minutes, you will receive a minimal of two 20 minutes breaks, with substantial 10 & 15 minute breaks during the day. So packing a small lunch and snacks is recommended. You will be able to eat in class, but unfortunately there will not be a microwave available.

Thanks! See you there!

Event Massage Class Room Schedule

7:45AM – 8:15AM – Late Registration

8:30AM-10AM – CLASS - (Lecture)

10AM-10:20AM – BREAK (20 MINUTES)

(If you didn't get breakfast earlier, you may bring something and eat it at the tables in back of the classroom.)

10:20AM-11:50AM – CLASS - (Lecture)

11:50AM–12:00PM – BREAK (10 MINUTES)

12PM -1:30PM – CLASS – (Hands On)

1:30PM-1:50PM – BREAK (20MINUTES)

1:50PM-3:20PM – CLASS - (Hands On)

3:20PM-3:35PM – BREAK (15 MINUTES)
